

# 2021 INFORMATION PACK

# Our Goals

- Create relaxed, pressure free classes for students of all levels who want to learn co- ordination, rhythm and style.
- Assist our students in gaining confidence, gross motor skills and other personal skills they will use in everyday life in a fun and friendly environment.
- Constantly learn and discover new styles of dance and choreography to pass on to our students as well as innovative stretching and conditioning classes.
- Make Evolve one of the leading performing arts schools on the Central Coast.
- Communicate with our students and parents by providing timely and accurate information.
- Offer classes specifically designed for students who are more serious and are interested in having a career in the performing arts industry.

At Evolve PAC we offer high quality, professional classes at affordable prices for all ages and abilities!

We take students from just 18 months old and classes start at only \$6.50.

As well as affordable, high quality classes we also offer unlimited passes.

Plus, if you're unsure we will let you try your 1st class for FREE, so you have nothing to lose!

Miss Steph and Miss Liz pride themselves on being approachable and professional and believe communication between Teachers, Students and Parents is vital.

# ENJOY EVOLVE YOUR WAY!

## RECREATIONAL

Our Recreational classes are designed for dancers of all ages who want to experience all that the performing arts has to offer in a fun, stress free environment.

We have many styles of dance on offer for our recreational students, at very affordable prices and taught by our experienced, professional staff. Class styles include jazz, tap, hip hop, lyrical & cheer/acro.

## EXCEL

Introduced in 2017 our Excel program is the perfect stepping stone between recreational classes and our Elite team. Designed for students with loads of potential who either want to train with the purpose of readying themselves for elite or who just want the extra training and opportunities that our excel program offers.

In 2018 we introduced our performance teams. These teams are invited to perform with our Elite students at local events such as shopping centres, markets and fetes as well as having the opportunity to perform in a couple of local eisteddfods throughout the year. We also encourage our Excel students to take part in our RAD ballet and Glenn Wood Tap exam classes. Exam classes are based on ability.

## ELITE

Our Elite classes are designed for students more serious about their training with the potential and aspiration to work professionally as a dancer in the future. Access to these classes are by invitation only and students are chosen by their teachers based on their performance in class. Students aren't only chosen based on their talent but also their behaviour, commitment, and passion for dance.

Our elite students compete in many competitions throughout the year and receive outstanding results in both their group and solo routines.

All Elite students 8/u and over must participate in two ballet classes, a C/S/KTL, combo class, and an acro class per week along with their elite age group class. We expect all Elite students to display good sportsmanship, not only in competition but also amongst themselves in class.

Our performance and elite teams are invitation only, our teachers are constantly looking for new students to join based on their performance in class. Please contact us if you are unsure which classes you need to enrol in.

# Other Costs

Dance can have the misconception of being expensive; this can happen when parents are asked to pay costs that they weren't aware of.

At Evolve PAC we like to be upfront with all potential costs so parents can budget for this. Below is a guide to other costs associated with dancing:

- A \$25.00 Enrolment Fee per student or \$40.00 per family will be charged at time of enrolment to cover insurance & administration costs. This must be paid at the time of your child's enrolment to ensure their place in the class is held. This is an annual fee and if you fail to pay this fee your child's place will not be held and you risk missing out on a place in your desired class.
- A concert rehearsal fee of \$5.00 per Student OR \$10.00 per family will be charged to Term 4 Invoices.
- At the end of term 1 & 2 each student will be required to pay a deposit for their end of year concert costumes. The cost is \$20.00 a term for each class your child is taking. In term 3 the final balance will be invoiced and needs to be paid before costumes are handed out, we try to keep the costumes as reasonably priced as possible (budget around \$60.00-\$70.00). We are an active and creative kids provider, to redeem your vouchers please email a copy to [evolvepac.office@gmail.com](mailto:evolvepac.office@gmail.com). We can only accept one voucher per term.
- Once enrolled for the term all fees must be paid even if you do not attend (this includes private lessons).
- If you are having any problems paying your fees on time please speak to us and we will do our best to help you out.
- All Fee and costume deposit money are non-refundable.
- The Elite Student Pass enables students to participate in their required classes at a capped price as well as recreational hip hop and cheer if they wish. This fee also includes all eisteddfod entry fees (for their group) and extra rehearsal fees for the year. Elite students are not eligible to any discounts including public holiday credits.

Fees can be paid via Direct Deposit, in Cash or EFTPOS transaction at Reception.

All NEW students are eligible to trial all recreational classes free of cost for their first week. Invoices will be administered via email before the commencement of each term. The whole term's fee must be paid by the start of week 4 each term otherwise a late fee of \$10 will be applied to your account for every week that fees aren't paid for, unless you have been making weekly payments that have been approved by our staff. If you wish to receive a hard copy of your invoice please ask at reception.
